Great (again!) book in the series. LOVE, LOVE LOVE JULIAN FELLOWS . . . . he's got to be the best writer (in my book . . . . pun intended!) A little (okay, a lot) behind however. Series of 6 is now over. HERE'S HOPING THE OTHER THREE SEASONS ARE IN THE HOPPER and not just forgotten because the series is now over. I have all three and hope to complete the collection of ALL SIX SEASONS! I ordered season 3 back in 2014 (on a pre-order basis). The season didn't become

available until the beg. of 2016!!! Appears as though the writer/publisher did not want to commit until they knew they were to have enough orders in the hopper. I'll be really P.O.' d should the other three seasons do not come to fruition . . . . PLEASE, JULIAN FELLOWS . . . . YOU'VE HAD A HUGE, FAITHBUL FOLLOWING . . . . PLEASE DO NOT DISAPPOINT BY NOT FINISHING WHAT YOU STARTED !!! Look forward to seeing the last three installments on a much more reasonable timeline!!!

I'm a big fan of Downton Abbey, and I love scripts of all sorts...so this was a real treat for me. It's a great addition to the two previous Script books, and I look forward to getting the remaining seasons

Devoted fans of Downton Abbey will just have to have this series of published scripts. Julian Fellowes has so far published the complete scripts of the first three seasons of this iconic show, and they are packed with anecdotes and behind-the-scenes details from Fellowes himself. We're given no end of insights into how the exigencies of day-to-day shooting of a series affects the plot lines; why a particular character may disappear for a few episodes; how the actors themselves contribute to the development of the characters, and how Fellowes mined his own childhood experiences for authenticity and detail.

If you love Downton Abbey you will love the scripts. The scripts are filled with the author's comments regarding storyline, plot details, historical references, and television production decisions. It is terrific fun to learn the author's thoughts and gain an insight into the creative process.

Like the first two seasons, this script book is excellent for understanding the nuances of each line the characters of Downton Abbey are speaking, with great background information from Julian Fellowes all along the way. I look forward to the publication of script books for subsequent seasons.

A gift for my 22-year old daughter who LOVES Downton. She has collected them all.

I was looking forward to receiving this script, as I have scripts for the 1st and 2nd seasons, and am looking forward to scripts for the remainders of the show.

Reading the scripts is like viewing Series 3 with details that enrich each episode.
