Questions & Answers: Constitutional Law

Synopsis

Understand better what you're learning in Constitutional Law class and prepare effectively for exams by applying concepts as you learn them. This study guide includes over 150 multiple-choice and short-answer questions arranged topically for ease of use during the semester, plus an additional set of 40 questions comprising a comprehensive "practice exam." For each multiple-choice question, Professors McGreal and Eads provide a detailed answer that indicates which of four options is the best answer and explains thoroughly why that option is better than the other three options. Each short-answer question is designed to be answered in fifteen minutes or less. For these questions, Professors McGreal and Eads provide a thoughtful, comprehensive, yet brief model answer.

Customer Reviews

My low review is entirely unrelated to contentâthe answers and explanations are superb, and are extremely helpful, HOWEVER...The Kindle edition, unlike other Q&As for Kindle that I've used in the past, does NOT have an internal hyperlink to the answer for each question. When each answer is so illuminating and helpful, I prefer to immediately read the answer and explanation in the latter half of the book. The fact that whoever created the kindle edition failed to put a link from the question to its answer made my studying extremely tedious and very annoying. If you're going to put out a Kindle edition of something like this, it NEEDS to have links to the answer and explanation.

What can I say? If you're a law student, you know why study aids are important. My

recommendation is to get the kindle version of this book because it's been so convenient for me to have this and my Chemerinsky treatise accessible at any moment on my Kindle Fire.

Prefer Siegels or Friedman, but if you want to maximize the number of questions you do, get Q&A, too. Fact patterns are a bit longer than you are likely to see.

Constitutional Law was really hard for me to grasp. This help see how the rules are actually applied. I get the Q&A for all my courses!

Good hypos for reviewing. Professor used 13 questions straight from book on exam.

Great book and arrived early!!
