Election Law: Cases And Materials (Carolina Academic Press Law Casebook)

Synopsis

With the addition of a new co-author, Daniel P. Tokaji, the new edition will cover developments through the Supreme Court's current term ending in June 2008. The authors have added a new chapter on election administration, which will include coverage of controversies over voter identification laws, including the Crawford case currently before the Supreme Court. The new edition also will cover the recent renewal of expiring provisions of the Voting Rights Act and constitutional challenges to that renewal. Like its predecessor, *Election Law, Fourth Edition* will cover the right to vote and voter turnout, legislative districting, the Voting Rights Act and the racial gerrymandering cause of action, ballot propositions, constitutional rights and obligations of political parties, bribery, regulation of campaign speech, campaign finance, and term limits.

Customer Reviews

"...[E]lection law has for too long been relegated to the 'peripheries' of legal studies and political science.... This volume should help to end that periphery status, encouraging both law professors and political scientists to move more fully into this rich, complex, and fascinating area." --John Shockley, Western Illinois University on the first edition

Daniel Hays Lowenstein is a professor of law at the University of California at Los Angeles School of Law. Richard L. Hasen is the William H. Hannon Distinguished Professor of Law at Loyola Law School, Los Angeles. Daniel P. Tokaji is an associate professor of law at The Ohio State University Moritz College of Law.
