Successful Aliyah: Volume 1: Navigating The Israeli System

Synopsis

The goal of this book is not to scare you, but to better prepare you when dealing with new and unexpected realities in a new country. Israel is constantly changing its laws and its citizens have a very different type of mentality than what you are may be accustomed to. You need to remember that Israelis are like "Sabras" (the prickly pear cactus fruit) " full of thorns on the outside, but sweet and tender on the inside. You will be amazed to learn how easy it is to get inside that sweetness " I hope this book will show you the fastest and safest way to get there.
