DictionRe: Reinsurance Dictionary

Synopsis

DictionRe contains some 2,900 English language reinsurance terms (over 750 pages), phrases, acronyms and shorthand / contractions, both commonly used in live markets (London (Companies & Lloydâ™s), Bermuda and U.S. markets), as well as esoteric references from past markets which are still relevant for legacy business and the run-off acquisition and consolidation sector. The fifth edition includes many insurance entries which we think relevant also. Definitions are extracted from and attributed to the formal work of Governments, Regulators, Court Judgments, Appeals, Arbitration Awards, and learned commentators who have all helped enrich the meaning and intended effect of reinsurance terms and phrases over recent decades. DictionRe receives annual updates consisting of additions / improvements, which will notify you of. You will have the choice of updating your edition for free therefore (updates are delivered wirelessly). Comments, suggestions and submissions for additional content, and amendments, irrespective of jurisdiction, may be addressed to DictionRe via its Twitter account. For 2016, proceeds of all sales (gross of 's commissions) will be donated to the UK Charity, "Children with Cancer UK" (Registered Charity No. 298405).
