# Commercial Transactions Under The Uniform Commercial Code And Other Laws, 6th Edition

## Synopsis

This comprehensive casebook is intended for a broad survey course on commercial law. This edition includes transactions under the Convention of International Sales of Goods. This book is built around carefully selected and edited cases, author notes, and selected problems. Though including landmark cases, the authors emphasize cases decided since 1990. These newer cases offer both a more sophisticated discussion of problems than usually found in earlier cases, as well as more current analyses of Code ambiguities and conflicting approaches to certain Code sections.

## Book Information

Hardcover: 1018 pages

Publisher: LexisNexis; 6th edition (August 19, 2011)

Language: English

ISBN-10: 1422480631

ISBN-13: 978-1422480632

Product Dimensions: 10.2 x 7.8 x 1.9 inches

Shipping Weight: 3.8 pounds (View shipping rates and policies)

Average Customer Review: 3.4 out of 5 stars [See all reviews](#) (5 customer reviews)

Best Sellers Rank: #851,217 in Books (See Top 100 in Books) #279 in [Books > Law > Business > Commercial](#) #6984 in [Books > Textbooks > Law](#) #201983 in [Books > Reference](#)

## Customer Reviews

**The Good:** This book, thus far, is very accessible. It explains the applicability of the UCC quite well and also contains various problems that students (like myself) are able to work through so as to develop a better understanding of material that will likely show up on the bar. **The Bad:** The binding. It's a known problem, and one that the publisher should look into fixing. That said, I bought my copy of this book used (though in very good condition) and recommend others do the same.

Whoever published this book and actually printed and put the binding together did a terrible job. I bought a brand new copy and it started falling apart within a few weeks. Now, the cover is barely hanging on by a thread (pun intended). **DON'T BUY A NEW COPY OF THIS BOOK.**

This book has many UCC commercial law cases that leads students through the reasoning and purpose of the Uniform Commercial Code.

It is a well written book. The cover fell off during the first week. Unbelievable.

No objections to the content, but the binding fell apart after about 5 days of normal use. Don't buy the bound version--get the electronic or the loose leaf instead. I was going to write and ask for a replacement but I got busy and forgot about it until being prompted by to write this review.
